CATALOGER — FRED L. LAKE

THE GEORGE W. BOWEN LIBRARY

George Bowen began collecting coins in earnest in 1971. His love of the history of coinage led him to become a serious collector of numismatic literature in 1988. He looked to acquire not only the volumes that contained relevant information, but also those editions that were the finest presentations.

Born in Florida, he moved to the Pacific Northwest in 1967. His service in the Merchant Marine saw him making many trips to Vietnam. He then became involved in the aerospace industry and with firms that had world-wide interests.

As a member of the Numismatic Bibliomania Society, the American Numismatic Association, and other organizations of the coin collecting fraternity, he expanded his knowledge and love of the books that were key to his collecting interests.

George kept his library in wonderful condition and now looks forward to having others enjoy the fine works which he has tended so carefully over the years.

We depend on our consignors to pass on these marvelous books and catalogs to others. Our consignment terms are quite generous and we have an unbroken history of paying our consignors within thirty days of the close of each sale.

Since Lake Books began, we have served over 200 consignors and we earnestly request that you contact us if you have duplicates or are looking to dispose of an entire collection.

Please call or write prior to sending any material.

Cordially, Fred Lake

TERMS OF SALE

1. This is an unrestricted mail bid sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.
2. Closing date for this sale is Tuesday, April 22, 2003 at 5:00 P.M. (EDT). Email and FAX bids will also be accepted until that time. Tie bids will be awarded to the earliest bid received. Bids received after the closing time will not be honored.
3. Bidders who are unknown to us are requested to supply two trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.
4. A fifteen percent (15%) Buyer's Fee will be added to each lot won. **A packing charge of seventy-five cents per lot (minimum \$3.00) plus shipping charges will be added.**
5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. A late charge of \$1.50 per month will be added to all invoices over 30 days. Title to all lots remains with Lake Books until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger. **Make checks payable to Fred L. Lake.**
6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.
7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar (\$1.00) for those persons who are not bidders.
8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within seven days after receipt of lots purchased.
9. All books are as described. Any errors or typographical mistakes will be happily corrected.
10. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.
11. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.
